

**Minimum Required Submittals for Approval
by Architectural Control Committee**

1. Site plan showing proposed building, driveway, easements, & setbacks.
2. Grading plan showing proposed height of the top of foundation above the curb, basement exposure, retaining walls, & drainage (existing & proposed).
3. Building plans showing square footage of all areas, elevations, roof pitches, & door heights.
4. Building permit when issued.
5. Landscaping plan showing proposed beds, trees, plantings, yard lights, mailbox, street trees, fences, decks, outbuildings, air conditioners, gas meters, etc.
6. All proposed exterior finishes & colors. Samples of all are required at the same time for approval.
7. Any alterations to previously approved items.
8. Occupancy permit when issued.
9. Any other items mentioned in the "Declaration of Covenants & Restrictions for Arbor Ridge".

Please contact Jamie Bloomfield by appointment for any submittals.
